

DUANEreade™

Extending your care to the Community

We have the expertise and services to help support your therapy goals. You can have confidence knowing that Walgreens and Duane Reade offer:

- Pharmacists specially trained in HIV/AIDS medications and support
- Full inventory of ARV and ancillary medications
- Outreach calls to patients from local pharmacy staff prior to their fill
- Patient adherence support
- Drug interaction reviews on every prescription fill
- Side effect avoidance and management assistance
- Comfortable, private environment for patients

**24 HOUR SUPPORT AVAILABLE AT
HIV.WALGREENS.COM**
