

Looking for a change? Need Treatment?

LET US HELP YOU!

THE NYS SUBSTANCE USE INITIATIVE provides support to individuals who are actively using substances and need help getting into treatment. We will work with you to find the right treatment program that will address your needs.

Additional services include:

- ◆ Benefit advocacy ◆ Prevention education ◆ Distribution of condoms
- ◆ Referrals for other resources and services
- ◆ **FREE** and confidential HIV rapid testing and Hepatitis C screenings

YOU DON'T HAVE TO DO IT ALONE.

We are just a call away!
