The North Fork Alliance strives to reduce substance abuse among local youth, to build awareness among parents and other adults about the substance abuse problem in the North Fork area, and to strengthen collaboration among high-need isolated North Fork area neighborhoods, private nonprofits, media outlets, religious institutions, businesses, parents, the Federal government, NY State, and Suffolk County, by fortifying comprehensive prevention coordination.

* Residents must check in at West Gate/Riverside entrance with proof of residency to receive your FREE admission. Please have a drivers license or valid ID with you at the door.
No exceptions will be made.
